I'm 22 years old, born and raised in New Zealand and looking for a job in the Tourism Industry. I have lived in Australia for 3 and 1/2 years and just returned from a 1 year working holiday in Japan.

I have 4 years hospitality and customer service experience and feel that this has prepared me for a customer and sales based role.

I want to work at The Station because I love Queenstown and I am interested in a career in the tourism industry and I feel this would be the perfect starting point, & a great way to learn about the different companies and what they have to offer tourists in the area.

I learn quickly and enjoy a challenge; I'm great with people and enjoy a fun work environment.

I appreciate you taking the time to consider my application.

Regards
Louise Hare
